**Speaker:**

Our speaker this month was Deb Palguta from the North Liberty branch of the public library. A St. Joe County Public Library bond has made renovations and constructions of new branches a reality in the county.

Your membership card will access all the libraries in the St. Joe system. The website is [www.libraryforlife.com](http://www.libraryforlife.com), here you can reserve books, extend checkout times, search and put holds on materials to be picked up.

You may return any of the materials checked out to any branch, you do not have to return it to the branch you checked it out from originally.

The North Liberty branch has 7 laptops and 4 desktop computers for use. There is WIFI at the library, accessible even in the parking lot if you have your own computer. The Library also rents DVD's and CD's to members.

There is also a meeting room available at the building. The maximum group size is 30. There are many programs offered that are free, so check out the calendar of events on the website.

Deb brought a variety of books to look at and check out if we desired. After a book browsing and general discussion, the meeting ended.

There was no Board meeting as a quorum was not present.

There is NO DECEMBER meeting, the next meeting is January 16<sup>th</sup>, there will be a general review given by the Park.
