Halloween Happenings Details:

- We are getting 100 pumpkins donated again this year by JF New. Chrissy is trying to get about 100 more since the turnout was so good last year.
- We need to purchase some paint, we do not have any. We have plenty of pumpkin carvers and brushes.
- We need a change bag-Tim will get one.
- There will be age and theme categories, ribbons will be awarded to the top 4 in each category.
- The costume contest will be held outside if it is nice and inside Peppermint Hill Shelter if raining. We will have 4 age categories as published and ribbons will be awarded.
- The campsite decorating contest will be coordinated by the Kruegers, they will collect the ballots. Chrissy is making a large poster for the winner. We will be touring the Horsemen's campground and will give an award there too for the best decorated site.
- For the potluck supper, we need to buy hot dogs, condiments, plates and napkins. Tim said we have a couple of cases of pop leftover we could use. We will also get a 5 gal cooler of water.
- For the Monster Mash, Anna is providing some CD's for music. Marie has access to a sound system. Marci and Alex will also provide some music. We will use a hand stamp for admission.
- We need to get some lighting/lanterns near the Shelter. John will get some tiki lights and Linda said we could borrow her 2 Coleman lanterns.
- Chrissy will pass around volunteer sign up sheets tonight.

We will have no other meetings until January, the Park is closed during the meeting time in November for a hunt and December meeting is cancelled.

The Spring House is proceeding along; Tim brought some artifacts he found today in the area. Ralph is working on this.

Kathy drafted a letter to the attorneys handling the Absorbent, Ink bankruptcy and mailed it. These are the folks who did not ship our clings to us. We asked for the settlement amount for the clings purchase. We should have a quote in the next couple of days for clings from a local vendor.

For the November 14th Friends Meeting at Mounds, Chrissy and Melody may go. No one else is available.

Chrissy resigned her position as Secretary due to computer problems. Jim agreed to pick it up for the last 3 months of her term. Kathy and Tim will continue doing the memberships.
